EXECUTIVE DIRECTOR *Jayme Zobrist*

2019 was a strong year for Just Friends: 58 people received first rate social and health support, decreased social isolation, and increased physical and cognitive exercise!

Even though our physical location is empty (due to the risk of COVID-19) we are still helping our Participants stay safe and engaged.

It's because of you that these folks still have care and community. You write letters, donate supplies, and share the important work we do with your friends. Your financial support allows our skilled staff to make weekly phone calls, drop off personalized activity bags and household essentials, and make outdoor social-distance friendly home visits during a time when isolated adults and their caregivers need us most.

*Your partnership makes our work possible. Thank you!*

*Dad was just saying tonight at dinner how much he misses going to Just Friends! He will definitely be ready once the normal schedule resumes. Thank you all so much for everything you do! His spirits are always higher on the days he goes.*
